Located at the Barcelona International Convention Center, our 420 m² studio is the perfect venue in which to develop **all kinds of recordings, shootings, interviews and virtual events.**

The CCIB Studio is composed of a **physical set** and an accompanying **chroma set**. Both, equipped with all the technical and personal equipment necessary for carrying out any creative proposal, in a hybrid or a 100% digital format.

In addition, we have all the know-how and technical equipment necessary to enhance your events with the most demanded audiovisual content: **augmented reality, 3D graphics, holographic solutions, etc.**

At the CCIB Studio you have the opportunity to finish your event with a cocktail on our terrace. To make your event a success, we also offer you additional services such as: meeting rooms, parking spaces, catering service, furniture, interpreters, hostesses, etc.
