

### 3. CUSTOMS CLEARANCE INFORMATION

Shipments from outside the European Union are subject to customs clearance formalities, please read carefully the following information:

#### **PERMANENT ENTRIES:**

Permanent entries can be done only for goods to be consumed during the show, such as; consumables, office material, giveaways, catalogues, etc.

Any permanent entry is subject to payment of import duties and taxes, which will be calculated from the CIF value of the goods (CIF value = declared value + freight costs).

#### **TEMPORARY ENTRIES:**

Goods returning to origin after the show must be processed through a temporary entry at customs, in order to avoid the payment of duties and taxes.

We strongly recommend using the **ATA Carnet** for temporary entries, with this document you will save extra costs and will make the customs procedures faster.

All exhibits / material entered under temporary importation are subject to control and examination by Spanish Customs. Goods under temporary entry cannot be sold during the show and any sale operation must be reported to Spanish Customs Authorities, otherwise heavy penalties might incur. Please contact Resa in case you may sell any temporary goods.

**Temporary & permanent materials must be packed separately, in different boxes.**

#### **PROFORMA INVOICE:**

The combined Invoice/Packing List must show the following information: number of units per each item / values / full description of items in English, (including serial number for electronic devices), model and customs code number (Brussels nomenclature), total number of boxes/pallets, weight and sizes. All items must have a declared value, which must be approved by Spanish Customs.

Enclosed a proforma template for your guidance.

#### **RESTRICTED PRODUCTS:**

The following products are restricted by Spanish Customs and cannot be shipped to the event in any case: foodstuff, beverage, medicines, cosmetics, live animals or plants, pharmaceutical products, protected species. Do not include any of these items to avoid having your shipment stuck at customs! Textiles products are restricted depending on the country of origin. Please ask us before shipping.
