### Nota:

The CCIB capacities have been calculated including space for the presidency and a proper hallway between chairs and tables.

In case translation booths or other types of assemblies are required, the room's capacity will be conveniently reduced.

M2 rooms do not have projectors or screens fixed in the room. If the setup requires their installation, they should be added, which may reduce the maximum capacity of the room.

All capacities are maximum and will be revised downwards according to the client's configurations and requirements.
